VENDORS INTRODUCTION

We only recently made the decision to sell the entire UNSELECTED mid-July to December calving portion of our herd.

To add some spice to the catalogue we are also selling all of their calves born in that period together with a few other special milkers and youngstock.

A well known breeder once told me "You'll only ever end up with the average of what you start with".

Bearing this in mind, we have always tried, at no little expense to buy the very best animals and embryos from the world's leading cow families.....and so, we look forward to welcoming you to our farm on Tuesday December 17th and hope you like what we have to offer.

AUCTIONEERS FOREWORD

David, Claire and Matthew Jones's **WILTOR** herd is without doubt one of the finest herds of Holsteins in the UK and has been for some considerable while. The combination of show winning type and the ability to produce quantities of high quality milk is seldom found to such an excellent extent as it is at Church Farm.

A virtual dispersal of the herd was held in April 2019, with a large crowd in attendance, and the cattle were sold to all parts of the UK and Ireland, with many rightly commanding premium prices. With David & Claire's son Matt joining the team, the decision was made to rebuild and expand the herd and the current herd is as good as at any time in its history. Their success in the show ring in the past 5 years has been phenomenal with numerous All Britain awards being gained, nearly all either in this sale or with progeny selling. The herd was recently awarded **Master Breeder** status.

As David has outlined above it should be particularly stressed that the **entire autumn calving section of the herd, being all animals calving between mid July and Sale day** are in the catalogue, together with a choice selection of some of the best younger animals in the herd.

For some time the herd maiden heifers have been purchased from a number of herds to provide recipients for ET calves. Many of these have been sold freshly calved, but quite a few have been retained in the herd and they include some tremendous highly productive cows which sell here. Some of the best were bred in the Curtismill and Hintonhurst herds and all those in the sale are classified Excellent. Every milking female selling that has been classified is in the top two grades with the exception of three Good Plus-83 2 year olds. 15 are Excellent and a further 33 Very Good. Nearly all the milkers are in their first three lactations.

There are many great animals in the catalogue and it would take too much space to list them all in this foreword, but here are a few of the stars:

Lots 1 and 11 to 14 – Several members of the renowned **Cosmopolitan** family (all Ex or VG) and their offspring.

Lot 10 – The only daughter on the farm out of the amazing **Dulais Silver Lustre (Ex-97)**, purchased by a syndicate for 40,000gs las year and Supreme Interbreed Champion at this year's Royal Welsh Show.

Lot 15 - A Sidekick calf out of **Corringham Lambda S Gremilin (Ex-93)**, Supreme

Champion at this year's Welsh Dairy Show among many other awards.

Lots 16 to 18 – 3 cows of the famous family tracing to **Knonaudale Jasmine (Ex-96)**, Two are classified VG-89 (max score).

Lots 23 to 27 – 7 descendants of the world famous prizewinning **Erbacres Snapple Shakira (Ex-97-4E)** – A licence to print money!

Lot 28 – Wiltor Chief Cheers (VG-87 2yr), Interbreed Chsmption Heifer at the Welsh Dairy Show and her Bullseye heifer calf. Another 10 animals from this family sell (Lots 29 & 30 and 44 to 48) including Excellent Doorman and Unix daughters and their progeny.

Lot 35 – BB Chief Memory 9 (VG-86 2yr) – A super fresh heifer from Messrs Baker's best family.

Lot 37 – The first calf to sell in the UK out of **Blexys Chief Bloody Mary (Ex-91)**, All American Milking Yearling 2023 and sired by Dropbox.

Lots 40 & 42 – Wiltor Jordy Rosie Red (Ex-92) and her dam **Wiltor Awesome Rosie Red (Ex-94-2)**, both NHS Red & White Grand Champions.

Lot 49 – Wiltor Hulu Tickle Me Red – one of the highest PTAT red & white calves in Europe.

Lot 53 – A Sdekick daughter out of **Wiltor Chief Atlee (VG-89)**, one of the best young cows in the country at present.

Lot 55 – A King Doc in calf heifer out of the prizewinning **Wiltor Silver Centerpiece (Ex-95-2)**, sold for 43,000gs in the last Wiltor Sale.

Lot 60 – A Havenofear daughter and 2 young bulls from the prizewinning VG-88 2yr out of the noted show cow **Pierstein Cicero Time Out (Ex-96)**.

Lots 63 to 67 – Three VG second calvers from the great **Apple** family and a VG French import out of Regiment Apple herself, together with her in calf Ranger Red daughter.

Lot 68 – Meiklefirth Army Kaliibra Red (Ex-92) – another prizewinning Excellent R & W cow from a noted family and her Mooi granddaughter.

Lot 78 – Wiltor Lambda Emoji – daughter of the excellent Sicy Douglas Enerta – 2 VG 2yr full sisters milking at Jacobs.

There are many other tasty offerings including members of the **Barbie, Britany, Dandy, Dempsey, Erle, Lulu, Mila** and **Rae** families. Many of the sale animals, particularly the younger ones, have impressive genomic figures, which are listed in the catalogue.

These impressive statistics are backed up by a high level of commercial efficiency. The rolling average for the milking herd is **11,355kg at 4.08% fat 3.40% protein** on twice daily milking and the average SCC for the whole herd of over 80 milkers has been **under 100** for the whole of 2024.

It would be difficult to find a more interesting and impressive catalogue for a Holstein Sale anywhere than this one. It really is a sale for everyone – Super milking cows (many giving well over 50kg); Herd building young cows of outstanding merit and exciting young stock, including potential show calves for next year, from some of the finest families in the world. We very much hope either to see you at the farm or tuning in on Marteye on December 17th to buy yourself a Christmas present!
